PROFESSIONAL SUMMARY

Frontend Developer with proven expertise in React.js, Tailwind CSS, ShadCN UI, Material UI, and Framer Motion. Built and deployed 4 production applications featuring Firebase authentication, Stripe payments, and OpenAI integration. Specializes in transforming UI/UX designs into responsive, accessible code with optimized performance across all devices. Proficient in React Hooks, Context API, and seamless API integration to deliver scalable, user-centric web applications.

CORE TECHNICAL SKILLS

Frontend Technologies: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
UI Component Libraries: ShadCN UI, Material UI, DaisyUI, Headless UI
Development Tools: Git, GitHub, Vercel, Firebase
API Integrations: Firebase Auth, Stripe Payment, OpenAI, EmailJS, Fakestore API
Specialized Skills: Framer Motion (Animation), Context API, React Hooks (State Management)

PROJECT PORTFOLIO

● Portfolio Website

Technologies: React.js, Tailwind CSS, Framer Motion, EmailJS

Live Demo | Source Code

- Built professional portfolio website with smooth transitions, interactive UI elements, and EmailJS contact form.
- Implemented fully responsive design and modern animation effects to enhance user engagement.

● HRMS Web Application

Technologies: React.js, ShadCN UI, Firebase Auth, Firestore, React Router

- Developed HR system with role-based access for admin and employee dashboards.
- Integrated secure authentication, leave tracking, attendance management, and task assignment features.
- Managed global state using React Context API.

● AI Resume Analyzer

Technologies: React.js, Material UI, OpenAI API

- Built an intelligent resume analysis tool supporting PDF/DOC uploads.
- Integrated OpenAI API for scoring, feedback, and keyword suggestions.
- Included error handling, loading states, and responsive UI.

● E-Commerce Web Application

Technologies: React.js, ShadCN UI, Stripe API, Context API, React Router

- Developed an end-to-end shopping platform with product filters, cart, and checkout.
- Integrated Stripe for secure payment and persistent session management.
- Designed complete user flow from discovery to transaction.

EDUCATION

Master of Computer Applications (MCA)
Chandigarh University | 2024 – 2026 (Currently Pursuing)

Bachelor of Arts (Political Science)
YCM Open University | 2018 – 2021

PROFESSIONAL EXPERIENCE

Senior Executive – Quality Invigilator
ETS (Educational Testing Service), Gurugram
February 2024 – January 2025

- Supervised online examination platforms and supported remote testing systems.
- Resolved technical issues and maintained quality assurance during digital test delivery.
- Managed customer support operations and complex troubleshooting scenarios.
